

## ✓ How you will succeed your skype interview

### → Before the interview

- We recommend you to **use a computer instead of a smartphone**. If you use a smartphone the connexion might be weaker and impact the quality of your interview. In both cases, better to use headphones.
- **Check your internet connexion and your skype account** prior to the interview (sound, video, ID) make a call test with one of your private contact
- Make sure you are in a **quiet place where you feel confident** and you won't be disturbed.
- **Don't confuse the hour of your interview**. It's scheduled in french local time. (GMT+1) You can check [time zone](#)

### → The « D » day

- Choose an **appropriate outfit. Business attire is required**.
- **Log in 5 min prior to the interview**. Sometimes, the interview can be delayed. Keep your calm, don't panic. The jury will directly contact you
- **Maintain the eye contact**. Avoid to fix your notes. Be spontaneous ! The interview will be more comfortable for you and the jury.
- Finally, **make sure you hang up properly** right after the interview
